# About Otyms

Otyms is a new hygiene and personal-care brand built around one idea: The Standard of Human Care. We offer premium baby diapers and wipes, sanitary pads and adult care for retailers, distributors, hospitals and export partners.

All Otyms products are non-prescription hygiene and personal-care products. We do not sell medicines or notified medical devices.

## Who we supply

### Distributors & stockists
Regional distribution of baby, women's and adult care.

### Retailers & chains
Pharmacies, supermarkets, baby stores and general stores.

### Hospitals & care homes
Adult diapers, underpads and disposable care consumables.

### E-commerce sellers
Marketplace and D2C sellers who want a dependable brand.

### Importers & exporters
Overseas partners, with documentation support per order.

### Private label
Your brand on a proven product platform, on request.

## How ordering works

**1 Enquire**
Tell us the products, quantity and location.

**2 Quote & samples**
We send pricing, pack details and, where available, samples.

**3 Confirm order**
Order, payment terms and delivery schedule confirmed in writing.

**4 Dispatch & support**
Goods dispatched with documents; we stay in touch for repeats.
